

Code: 12V/15A/P

## SWITCHING ADAPTER 12V/15A/P

Net: 14.03 EUR Gross: 14.03 EUR

Power adapter with two pairs of output terminals.  
Attention! If the power adaptor is using for continuous work (24H) the rated current of the adaptor should be less than 80% of the maximal current.

**Attention!** Both terminals of V- have a physical contact to each other, as well as the both terminals of V+

### SPECIFICATION

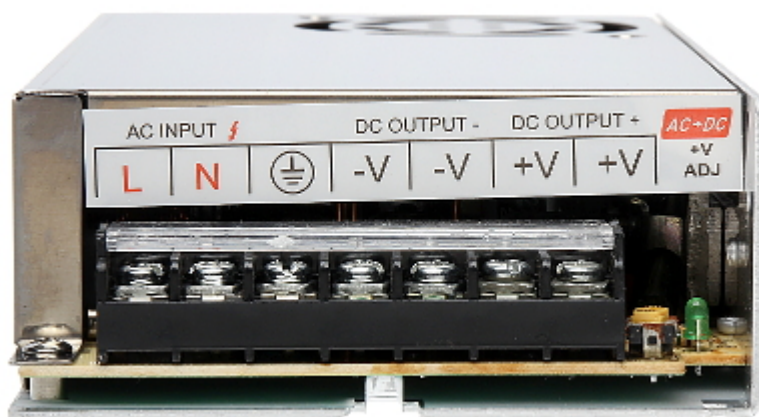

|                                      |                                                                                    |
|--------------------------------------|------------------------------------------------------------------------------------|
| Adapter type:                        | Switching                                                                          |
| Power voltage:                       | 230 V AC                                                                           |
| Output voltage:                      | 12 V DC                                                                            |
| Output voltage adjustment:           | 9.8 ... 13 V                                                                       |
| Maximal load:                        | 15 A                                                                               |
| Output power:                        | 180 W                                                                              |
| Number of outputs:                   | 2 pcs                                                                              |
| Protections:                         | <ul style="list-style-type: none"><li>• Short-circuit</li><li>• Overload</li></ul> |
| Operation temp. / Relative humidity: | -10 °C ... 50 °C / 20 % ... 90 %                                                   |
| Weight:                              | 0.56 kg                                                                            |

| Guarantee:                           | 2 years                                                                            |

### PRESENTATION

Adapter connectors:

DELTA-OPTI Monika Matysiak; <https://www.delta.poznan.pl>  
POL; 60-713 Poznań; Graniczna 10  
e-mail: [delta-opti@delta.poznan.pl](mailto:delta-opti@delta.poznan.pl); tel: +(48) 61 864 69 60

L - Live wire (230V)  
N - Neutral wire  
GND - Grounding  
-V - DC "-" output  
+V - DC "+" output  
ADJ - Output voltage adjustment
