# IP CAMERA **DH-IPC-HFW5830EP-Z** - 8.3 Mpx 2.7 ... 12 mm - MOTOZOOM DAHUA

Net: **463.24 EUR** Gross: **463.24 EUR**

IP camera with efficient H.264/H.265 image compression algorithm for clear and smooth video streaming at maximal resolution of 3840 x 2160 (8.3 MPx). Due to above it is perfect solution for surveillance systems requiring persons or vehicles recognition. The used motozoom lens with 2.7 ... 12 mm focal length allows to remote view angle adjustment.

PoE powering possibility, compatible with the 802.3af standard makes the device more universal and easier to install.

## SPECIFICATION

|                           |                                                                                                                                                                                                                                                                                            |
