

Code: HNC-40/4/003

# RESIDUAL CURRENT CIRCUIT BREAKER **HNC-40/4/003** THREE-PHASE, AC TYPE 30 mA 40 A EATON

Net: 36.12 EUR Gross: 36.12 EUR

Residual current circuit breaker with rated sensitivity of  $I_{\Delta n} = 30\text{mA}$ , AC type. The HNC-40/4/003 circuit breaker is compatible to DIN TS-35 rail mounting system.

## SPECIFICATION

|                           |                                                                                                                                                                                                |
|---------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Device type:              | Residual current circuit breaker, Three-phase, AC type                                                                                                                                         |
| Rated sensitivity:        | 30 mA                                                                                                                                                                                          |
| Rated current:            | 40 A                                                                                                                                                                                           |
| Number of poles:          | 4                                                                                                                                                                                              |
| Breaking capacity:        | 6000 A                                                                                                                                                                                         |
| Rated voltage:            | 400 V AC / 50 Hz                                                                                                                                                                               |
| Connectors type:          | screw terminals                                                                                                                                                                                |
| Wire gauge:               | 1 x 1.5 mm <sup>2</sup> - 35 mm <sup>2</sup> or 2 x 16 mm <sup>2</sup>                                                                                                                         |
| Main features:            | <ul style="list-style-type: none"><li>• Contact position indicator</li><li>• Can be connected with using the supply busbars fork-type or prong-type</li><li>• Possibility of sealing</li></ul> |
| Housing:                  | Plastic, DIN, TS-35 rail mounting                                                                                                                                                              |
| Width in 17.5 mm modules: | 4                                                                                                                                                                                              |
| Weight:                   | 0.317 kg                                                                                                                                                                                       |
| Dimensions:               | 70 x 83 x 75 mm                                                                                                                                                                                |
