SET OF CABLE QUICK-CONNECTORS **CONNECT-PACK/1** 65 PCS

Net: **4.95 EUR** Gross: **4.95 EUR**

Cable quick connectors are designed for quick and easy connection of wires without the need to remove the insulation.

They are used to connect wires with active elements of the installation. No additional insulation is required after the wires have been joined. The use of connectors ensures that the connection is resistant to mechanical vibrations and reduces the possibility of short circuits.
