

Code: HR300

## ROUTER WIFI **HR300** 2.4 GHz 300 Mbps IMOU

Net: **11.47 EUR** Gross: **11.47 EUR**

The HR300 is a wideband router (for cable modem) and 3-port FastEthernet switch. The device broadcasts the 4th generation Wi-Fi network in the 2.4 GHz band.

Main applications include Internet accesses in small and medium size businesses, SOHO, and homes.

### SPECIFICATION

|                       |                                                                                                                                                                     |
