

Code: CDN-PK

## RELAY MODULE **CDN-PK** ACO

Net: 15.23 EUR Gross: 15.23 EUR

The CDN-PK relay module makes it possible, among other things, to connect instead of a traditional electric door strike, an electromagnetic lock, a gate controller, a reversible electric door strike or any other device.

### SPECIFICATION

|                          |                                                                                   |
|--------------------------|-----------------------------------------------------------------------------------|
| Compatibility:           | <ul style="list-style-type: none"><li>• ACO COMO PRO</li><li>• ACO CDNP</li></ul> |
| Number of relay outputs: | 1                                                                                 |
| Power supply:            | 12 ... 15 V DC                                                                    |
| Current consumption:     | 16 mA @ 15 V DC                                                                   |
| Relay maximal load:      | 5 A / 24 V DC (max)                                                               |
| Output:                  | 1 x NO/NC                                                                         |
| Weight:                  | 0.038 kg                                                                          |
| Dimensions:              | 71 x 69 x 19 mm                                                                   |
| Manufacturer / Brand:    | ACO                                                                               |
| Guarantee:               | 2 years                                                                           |
