

Code: XG-SFP-SR-MM850

## MULTI-MODE MODULE **XG-SFP-SR-MM850** SFP+ REYEE

Net: **88.22 EUR** Gross: **88.22 EUR**

Low-power 10 Gbit/s optical module for use in data centers, enabling high-performance and high-speed connections between switches, routers, servers and network interface controllers (NIC).

Modules complying with most of switches and routers with SFP / SFP+ socket.

### SPECIFICATION

|                                    |                                                      |
|------------------------------------|------------------------------------------------------|
| Transmission protocols:            | IEEE 10GBASE-SR, IEEE802.3ae                         |
| Fiber type:                        | 50 / 125 $\mu$ m / 62 / 125 $\mu$ m Multi-mode fiber |
| Maximal transmission range:        | 0.3 km                                               |
| Transfer rate:                     | max. 10.3125 Gb/s                                    |
| Number of used fibers:             | 2                                                    |
| Optical connectors:                | 2x LC / PC                                           |
| Light source / optical wavelength: | Surface VCSEL Laser / 850 nm                         |
| Power supply:                      | 3.3 V                                                |
| Operation temp:                    | 0 °C ... 70 °C                                       |
| Weight:                            | 0.02 kg                                              |
| Manufacturer / Brand:              | RUIJIE / REYEE                                       |
| Guarantee:                         | 2 years                                              |
