## TWISTED-PAIR CABLE **UTP/K5/500M/SET** NETSET

Net: **0.37 EUR** Gross: **0.37 EUR**

The UTP/K5/500M/SET twisted-pair cable is designed to professional applications of installation. For convenience, cable is marking with length counter printed with 1 m distance step.

The cable complies with the CPR No. 305/2011 directive and meets the requirements of the PN-EN 50575 European standard which specifies requirements in fire conditions, test methods and rating of cables used as building material. The cable has a Declaration of Performance and a CE marking, which confirm its compliance with the guidelines of the CPR regulation.

### SPECIFICATION

| In section:           | 500 m . Price for 1m when buying a whole roll                                                                   |
|-----------------------|-----------------------------------------------------------------------------------------------------------------|
| Type:                 | UTP cat. 5e                                                                                                     |
| Inner conductor:      | Ø 0.5 mm AWG 24, Wire Cu                                                                                        |
| Resistance:           | 9.5 $\Omega$ / 100 m                                                                                            |
| Shield:               | —                                                                                                               |
| Outer coating:        | Ø 5.2 mm PVC                                                                                                    |
| Coating color:        | Gray (RAL 7032)                                                                                                 |
| Main features:        | Parameters far exceeding the requirements for Category 5+                                                       |
| Supported norms:      | EN50575:2014, IEC 61156-6 (2000), ISO/IEC 11801 (2000), TIA/EIA-568-A (1995), PN/EN 50173 (1999), yd/t1019-2001 |
| Operation temp:       | -20 °C ... 70 °C                                                                                                |
| Manufacturer / Brand: | NETSET                                                                                                          |
| Guarantee:            | 15 years                                                                                                        |
