

Code: ZR12-150/R10

## POWER SUPPLY ADAPTER RACK **ZR12-150/R10** 12 V DC 12.5 A

Net: **213.10 PLN** Gross: **213.10 PLN**

High Quality professional switching adapter with short-circuit, overvoltage and overload protections.

### SPECIFICATION

|                                      |                                                                                                                        |
|--------------------------------------|------------------------------------------------------------------------------------------------------------------------|
| Adapter type:                        | Switching                                                                                                              |
| Power voltage:                       | selectable by switch <ul style="list-style-type: none"><li>• 90 V ... 132 V AC,</li><li>• 180 V ... 264 V AC</li></ul> |
| Voltage frequency range:             | 47 ... 63 Hz                                                                                                           |
| Output power:                        | 150 W                                                                                                                  |
| Output voltage:                      | 12 V DC                                                                                                                |
| Output voltage adjustment:           | 11.4 V ... 13.2 V DC                                                                                                   |
| Maximal load:                        | 12.5 A                                                                                                                 |
| Efficiency:                          | 89 %                                                                                                                   |
| MTBF (Mean Time Between Faults):     | > 700000 h - Telcordia SR-332                                                                                          |
| Protections:                         | • Overvoltage                                                                                                          |
