## SWITCH SFP **PFS5924-24X** 24-PORT DAHUA

Net: **1 373.19 EUR** Gross: **1 373.19 EUR**

The PFS5924-24X SFP Switch is an industrial type device enabling fluent network transmission at rates 1000 Mbps. Attention! The SFP port requires the SFP module, which is available in our offer.

### SPECIFICATION

|                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
