

Code: APTI-POE0802G-120W-V2

## SWITCH POE **APTI-POE0802G-120W-V2** 8-PORT

Net: **63.14 EUR** Gross: **63.14 EUR**

Due to the reliability and ensuring high quality of transmission, the APTI-POE0802G-120W-V2 8-port PoE switch is an ideal solution for applications in CCTV IP installations.

**Attention!** When the Extend function is enabled the PoE range increases up to 250m and the transmission speed reduces to 10 Mb/s.

### SPECIFICATION

|                       |                                                                                                                                                                                         |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| LAN ports:            | 10 x RJ45 ( 8 x PoE (802.3af/at) )                                                                                                                                                      |
| Management:           | —                                                                                                                                                                                       |
| LED diodes:           | LAN, PoE                                                                                                                                                                                |
