

Code: APTI-H20YS

## AHD, HD-CVI, HD-TVI, PAL CAMERA **APTI-H20YS** PINHOLE - 1080p, 3.7 mm

Net: **32.91 EUR** Gross: **32.91 EUR**

Indoor micro camera equipped with very good quality Sony CMOS sensor. High sensor resolution produces high detailed image. So, you can use this camera for example to persons recognition with good results.

The AHD / HD-CVI / HD-TVI interface allows to transmission of analog video signal via coaxial cable in max. 8 Mpx (4K UHD) resolution. It enables the transmission of HD resolution images for even 500 m distance with keeping the low costs of the installation.

### SPECIFICATION

|                       |                                                                                                                                                                                                                                                                                                                                                        |
