## IP CAMERA **IPC3624LE-ADF28K-WL** ColorHunter - 4 Mpx 2.8 mm UNIVIEW

Net: **213.64 EUR** Gross: **213.64 EUR**

IP camera with efficient Ultra 265 image compression algorithm for clear and smooth video streaming at maximal resolution of 4 Mpx.

PoE powering possibility, compatible with the 802.3af standard makes the device more universal and easier to install. The range of IR illumination according to the manufacturer data, depends on outer conditions (visibility - air transparency, environment, wall colors ie. scene reflectance).

The ColorHunter series camera allows to obtain clear, colorful image even in very poor lighting conditions.

### SPECIFICATION

|                                    |                                                                                                                                          |
