# IP VANDALPROOF CAMERA **IPC-HDBW5241R-ASE-0280B** - 1080p 2.8 mm DAHUA

Net: **283.14 EUR** Gross: **283.14 EUR**

IP camera with efficient H.264 / H.265 image compression algorithm for clear and smooth video streaming at maximal resolution of 1080p.

PoE powering possibility, compatible with the 802.3af standard makes the device more universal and easier to install. Camera is according to IP67 Index of Protection norm.

The device is equipped with ePoE technology which enables transmission up to 800 m at a speed of 10 Mb/s or 300 m at a speed of 100 Mb/s via cat. 5e twisted-pair. Thanks to the "Starlight" technology used, the camera only needs very low lighting to obtain a clear color image.

## SPECIFICATION

|                           |                                                                                                                                                                               |
