

Code: K2-07/150ML

## MULTI-PURPOSE AGENT **K2-07/150ML** SPRAY 150 ml K2

Net: **11.57 PLN** Gross: **11.57 PLN**

The K2-07/150ML agent, contains a group of 7 synthetic active substances mixed in a solvent. It lubricates and preserves without need for disassembling, protects against rust tools not used during the winter. Perfectly dries ignition cables and protects them against humidity. Allows to move and loosens clotted screws, trolley wheels, etc. The agent eliminates squeaks and grinds. The product leaves pleasant odour after use.

### SPECIFICATION

|                       |                                                                                                                                                                                                                                                                                                                                  |
