

Code: SDQ-508

## TV/SAT SPLITTER **SDQ-508** TERRA

Net: **84.81 EUR** Gross: **84.81 EUR**

The SDQ-508 splitter is used in multiswitch systems to distribute a signal from multiswitch bus. Additionally, the splitter also distributes terrestrial TV signals. The splitter is equipped with 2 DC-transition switches that in "ON" position pass DC voltage through "H" paths to selected branches.

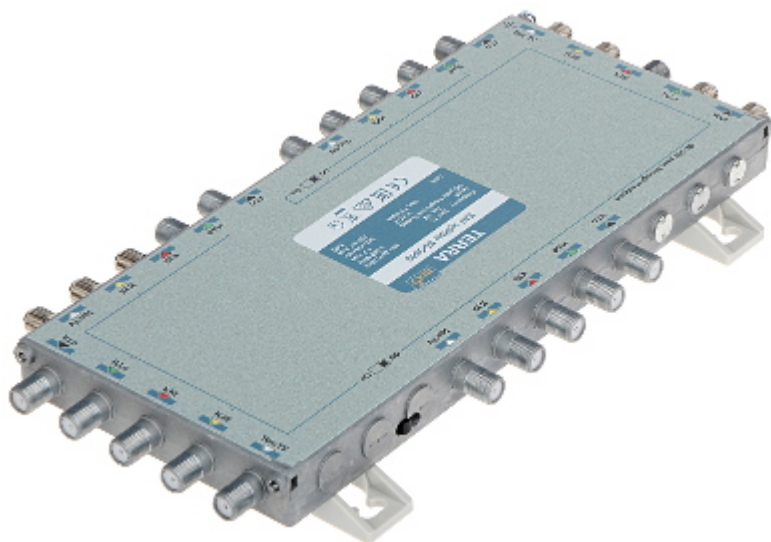

Die-cast housing guarantees high screening efficiency - class A.

### SPECIFICATION

|                            |                                                                                                         |
|----------------------------|---------------------------------------------------------------------------------------------------------|
| Number of inputs:          | 5 pcs                                                                                                   |
| Number of outputs:         | 20 pcs                                                                                                  |
| Frequency range:           | <ul style="list-style-type: none"><li>• 950 ... 2400 MHz - SAT,</li><li>• 5 ... 862 MHz - RTV</li></ul> |
| Connection loss:           | <ul style="list-style-type: none"><li>• 8 dB - SAT</li><li>• 8 dB - RTV</li></ul>                       |
| Isolation between outputs: | > 30 dB                                                                                                 |
| DC-transition:             | max. 2 A                                                                                                |
| Main features:             | The die-cast metal body provides effective shielding and high mechanical resistance                     |
| Operation temp:            | -20 °C ... 50 °C                                                                                        |
| Weight:                    | 0.77 kg                                                                                                 |
| Dimensions:                | 267 x 135 x 30 mm                                                                                       |
| Manufacturer / Brand:      | TERRA                                                                                                   |
| Guarantee:                 | 2 years                                                                                                 |
