

Code: PC-FC/FC-30

## SINGLE-MODE PATCHCORD **PC-FC/FC-30** 30 m

Net: **25.16 EUR** Gross: **25.16 EUR**

Patchcords are used to optical signal transmission between active devices, patch panel enclosures, etc.

### SPECIFICATION

|                   |                                                                                                                                                                                                                                                                                                        |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Connector type:   | FC <-> FC                                                                                                                                                                                                                                                                                              |
| Fiber optic type: | 9 / 125 µm                                                                                                                                                                                                                                                                                             |
| Length:           | 30 m                                                                                                                                                                                                                                                                                                   |
| Main features:    | <ul style="list-style-type: none"><li>• Made according to the requirements: G.657A,</li><li>• Steel coat protects from damage by stretching,</li><li>• LSZH (Low Smoke Zero Halogen) coating - means small amount of toxic gases emitted during combustion,</li><li>• UV radiation resistant</li></ul> |
| Guarantee:        | 2 years                                                                                                                                                                                                                                                                                                |

### PRESENTATION
