## SPLITTER HDMI-SP-1/8

Net: 65.05 EUR Gross: 65.05 EUR

Splitter allows to split one HDMI input signal into several HDMI output signals. The device can be connected within a few seconds and doesn't need any user configuration.

### SPECIFICATION

|                          |                                                        |
|--------------------------|--------------------------------------------------------|
| Number of HDMI inputs:   | 1 pcs                                                  |
| Number of HDMI outputs:  | 8 pcs                                                  |
| Supported HDMI standard: | 1.3 b                                                  |
| Supported resolutions:   | 480 p, 576 p, 720 p, 1080 i, 1080 p, 3D 1080 p / 24 Hz |
| EDID duration time:      | 12 s                                                   |
| Maximal cable length:    | 10 m for 28AWG HDMI<br>15 m for 26AWG HDMI             |
| Dimensions:              | 320 x 105 x 43 mm                                      |
| Power supply:            | 5 V                                                    |
| Power consumption:       | 10 W (max)<br>(power adapter included)                 |
| Weight:                  | 0.89 kg                                                |
| Guarantee:               | 2 years                                                |
