

Code: USB-3.0/SATA

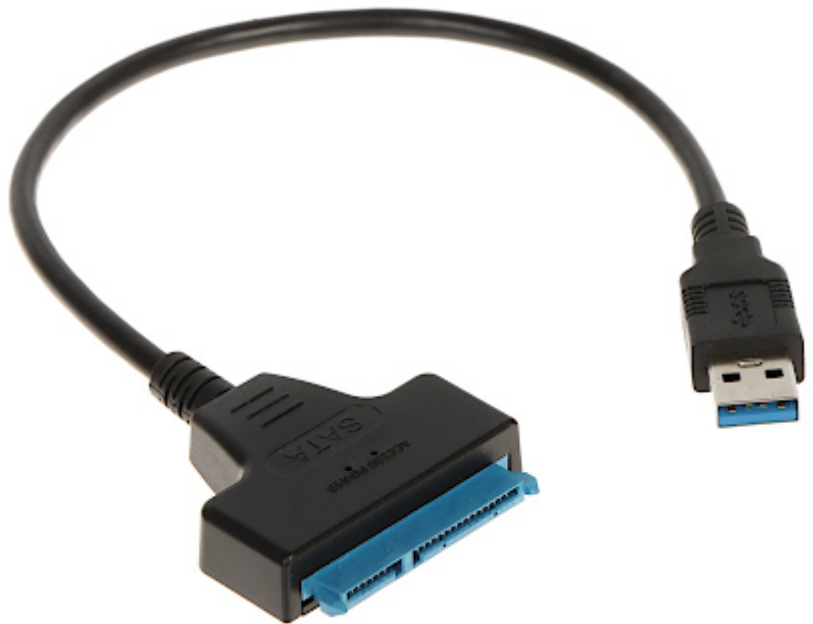

## DRIVE ADAPTER **USB-3.0/SATA** 23 cm

Net: **5.69 EUR** Gross: **5.69 EUR**

USB-3.0/SATA adapter for HDD, SSD drives on a cable.

The adapter allows you to connect a HDD 2.5" or SSD drive to a computer or laptop. The device is equipped with a USB 3.0 connector and works according to the Plug and Play standard. The adapter is ideal for service applications requiring stable operation.

**Attention!** The adapter does not work with SATA 3.5" drives and CD-ROM/DVD drives.

### SPECIFICATION

|                      |                                                                                                                                                                                                                                                                                                                                                                        |
