

Code: INT-KWRL-BSB

WIRELESS KEYBOARD WITH RFID INT-KWRL-BSB SATEL

Net: 157.19 EUR Gross: 193.34 EUR

The device is designed to work within two-way wireless ABAX system.

The INT-KWRL-BSB keypad is intended for daily operations and programming the Integra series alarm control system. With the LCD display showing text messages, even advanced functionalities of the alarm control unit are simple and convenient.

The built-in proximity card reader allows to operate the system without the necessity to remember passwords.

Keypad is powered by battery (included) and communicates with alarm control panel using a special radio transmission protocol (bidirectional communication).
