# IP CAMERA **IPC-HDPW5241G-ZE** - 1080p 2.7 ... 13.5 mm - MOTOZOOM DAHUA

Net: **347.64 EUR** Gross: **347.64 EUR**

IP camera with efficient H.264 / H.265 image compression algorithm for clear and smooth video streaming at maximal resolution of 1920 x 1080 (1080p). Due to above it is perfect solution for surveillance systems requiring persons or vehicles recognition. The used motozoom lens with 2.7 ... 13.5 mm focal length allows to remote view angle adjustment. The device is designed for installation in suspended ceilings.

The range of IR illumination according to the manufacturer data, depends on outer conditions (visibility - air transparency, environment, wall colors ie. scene reflectance).

PoE powering possibility, compatible with the 802.3af standard makes the device more universal and easier to install.

## SPECIFICATION

|                               |                                                                                                                                                                      |
