

Code: R19-42U/800X800

STANDING RACK CABINET **R19-42U/800X800**

Net: **545.39 EUR** Gross: **670.83 EUR**

More and more home devices to LAN, RTV, CCTV installations are made with a view to the RACK system, so that their installation is aesthetically pleasing, and that devices are protected against accidental mechanical damages.

The R19-42U/800X800 cabinet is suitable for mounting all sorts of devices in standard 19" rack housings. Ideal solution for installing DVRs, power units, splitters, headends, network devices, etc. Inside the cabinet can be also place the devices that are not in standard RACK-19" housings, for example DVRs, multiswitches, RTV-SAT amplifiers, modulators. For this purpose the user should mount additional shelf/shelves available for RACK cabinet.

The RACK cabinet has many openings ensuring adequate air circulation. Additionally, it is possible to install fans to increase the ventilation.

Additionally, it is possible to install fans to increase the ventilation. Non-rack devices can be mounted on the four-point mounted shelves P19F/800, with a depth of 550 mm.

The R19-42U/800X800 cabinet is intended for self-assembly.
