# IP CAMERA **IPC-HFW5249T-ASE-NI-0360B** Full-Color - 1080p 3.6 mm DAHUA

Net: **1 412.00 PLN** Gross: **1 412.00 PLN**

IP camera with efficient H.264 / H.265 image compression algorithm for clear and smooth video streaming at maximal resolution of 1080p. Included camera software enables management and integrated monitoring of many network cameras.

PoE powering possibility, compatible with the 802.3af standard makes the device more universal and easier to install.

The camera has extensive functions for counting people and controlling their flow. It is used wherever you need information about how many people entered, e.g. a store or office, and how many customers are still inside. It is also possible to control the number of people waiting in the queue to the service point.

## SPECIFICATION

|                           |                                                                                                                                                                               |

## OUR TESTS

Camera image at artificial illumination (about 30Lux):

Camera image at direct strong light opposite to camera:

Camera image at night conditions, at different illumination values show below:

10 LUX:

1 LUX:

0.1 LUX:

0.01 LUX:

0.001 LUX:

## OUR OPINIONS

- Thanks to the "Starlight" technology used, the camera only needs very low lighting to obtain a clear color image.
