## IP CAMERA **IPC-HDW4631EM-ASE-0280B** - 6.3 Mpx 2.8 mm DAHUA

IP camera with efficient H.265 / H.264 image compression algorithm for clear and smooth video streaming at maximal resolution of 3072 x 2048 - 6 Mpx. Thanks to the "Starlight" technology used, the camera only needs very low lighting to obtain a clear color image.

PoE powering possibility, compatible with the 802.3af standard makes the device more universal and easier to install. The device is equipped with ePoE technology which enables transmission up to 800 m at a speed of 10 Mb/s or 300 m at a speed of 100 Mb/s via cat. 5e twisted-pair. Camera is according to IP67 Index of Protection norm.

|                           |                                                                                                                                                                                                                                                                 |
