

Code: TWILIGHT-COMPACT/BLEBOX

## TWILIGHT SWITCH FOR LED LIGHTING **TWILIGHT-COMPACT/BLEBOX** 12 ... 24 V DC

The TWILIGHT-COMPACT/BLEBOX twilight sensor is used to turn the LED lighting on and off depending on the ambient light. The "soft start" function allows to mild lightening/darkening the lighting at dusk/dawn.

|                        |                                                                                                                                                                                                                   |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application:           | Works with LED lighting - 12-24V LED strips                                                                                                                                                                       |
| Rated voltage:         | 12 ... 24 V DC                                                                                                                                                                                                    |
| Maximal total load:    | 60 ... 120 W                                                                                                                                                                                                      |
| Total maximal current: | 5 A                                                                                                                                                                                                               |
| Number of inputs:      | 0                                                                                                                                                                                                                 |
| Number of outputs:     | 1                                                                                                                                                                                                                 |
| Connector type:        | screw terminals                                                                                                                                                                                                   |
