

Code: AD-NR-6466L4

## LED FLOODLIGHT WITH BATTERY **AD-NR-6466L4** ADVITI

Illuminator can be used indoors and outdoors. Incomparably greater lifetime of the LEDs compared to traditional halogen bulb provides cheap and reliable operation.

|                        |                                                                                                                                                                                                                                                                                                          |
