

Code: KONW/FULL-CORAB

## TV-SAT LNB **KONW/FULL-CORAB** CORAB

|                             |                                                                                                                            |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Type:                       | SINGLE                                                                                                                     |
| Input frequency:            | <ul style="list-style-type: none"> <li>• 10.7 GHz ... 11.7 GHz</li> <li>• 11.7 GHz ... 12.75 GHz</li> </ul>                |
| Output frequency:           | <ul style="list-style-type: none"> <li>• 950 - 1950 MHz</li> <li>• 1100 - 2150 MHz</li> </ul>                              |
| Oscillator frequency:       | 9.75 GHz / 10.6 GHz                                                                                                        |
| S/N ratio:                  | 0.3 dB                                                                                                                     |
| Number of outputs:          | 1 pcs F socket                                                                                                             |
| Output impedance:           | 75 $\Omega$                                                                                                                |
| LNB switch:                 | —                                                                                                                          |
| Gain :                      | 58 dB                                                                                                                      |
| Main features:              | <ul style="list-style-type: none"> <li>• Housing - Waterproof</li> <li>• Current consumption : 120 mA (typical)</li> </ul> |
| H/V polarization switching: | 11.5 V ... 14 V / 16 V ... 19 V DC                                                                                         |
| Band switching:             | 22 kHz                                                                                                                     |
| Neck diameter:              | 40 mm                                                                                                                      |
| Weight:                     | 0.09 kg                                                                                                                    |

## DATA SHEET

|                       |                 |
|-----------------------|-----------------|
| Dimensions:           | 90 x 65 x 65 mm |
| Manufacturer / Brand: | CORAB           |
| Guarantee:            | 2 years         |
