

Code: VTH5421HB-W

## INDOOR PANEL **VTH5421HB-W** Wi-Fi / IP DAHUA

The VTH5421HB-W panel has been designed to create a simple and effective system of local communication.

The device works with video doorphones, and other DAHUA panels. It can be also used as simple alarm control panel, or notification module by the support 6 alarm inputs.

ATTENTION! The device does not support the Dahua analogue system.

|                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
