

Code: ZB-BOX3

WIFI, ZIGBEE GATEWAY **ZB-BOX3** Tuya Smart MiBOXER / Mi-Light

Thanks to the gateway, you can control MIBOXER (MI-LIGHT) devices operating in the Zigbee network from a phone or tablet via the installed TUYA application.

Tuya is an international home automation platform that connects thousands of products made by different manufacturers. The system can support all the most popular communication protocols such as Wi-Fi, Zigbee, Bluetooth. Tuya Smart application works perfectly with Google Assistant, Amazon Alexa and many others, which allows you to control connected devices using voice commands.

ZigBee is a widely used low-power data transmission protocol. Thanks to secured transmission, it is used in monitoring systems and is successfully used in intelligent solutions - sockets, bells, various types of sensors, etc.

ATTENTION! Device is designed for indoor use only.
