SENSOR UNIT MODULE **IPC-HUM8431-L1-0280B** FOR MODULES OF THE IPC-HUM8431-E SERIES - 4 Mpx DAHUA

The IPC-HUM8431-L1-0280B PINHOLE camera module designed to work with modules of the main units of the IPC-HUM8431-E series. The device is only used to generate an image processed later in the main unit. It is not possible to use the camera for autonomous operation - even through the USB port through which the camera connects to the main module.

Attention! The device requires the purchase of the main unit module (available separately).
