IP CAMERA **DS-2XM6522WD-IM(4mm)** - 1080p Hikvision

IP camera with efficient H.265 / H.264 image compression algorithm for clear and smooth video streaming at maximal resolution of 1080p.

Extremely robust camera construction, appropriate shape, excellent IP68 degree of protection and the highest class of mechanical strength IK10 allow the camera to work even in very difficult conditions (eg assembly on the vehicle's body).

PoE powering possibility, compatible with the 802.3af standard makes the device more universal and easier to install. The connection cable has been terminated with the M12 connector.
