

Code: MB-3/PLUS/LIGHT

## BALLAST MAST BASE **MB-3/PLUS/LIGHT**

The MB-3/PLUS/LIGHT ballast mast base is perfect to use when there is a need to install the devices on the mast for a specified time (construction works, advertising campaign, festival, etc.). We can instantly without damaging the walls or the ground in a solid way fix the elements on the mast, and next just as quickly all elements disassembled.

To load the base, use concrete blocks of dimensions 380 x 250 x 120 mm and weight min. 22 kg in the dry state.

**Attention!** The kit does not contain the M6 concrete blocks or mast.

Height of the mast:	max. 2 m (not included)
