Code: ATLO-714

WRISTBAND WITH RFID TAG **ATLO-714**

The ATLO-714 silicone wristband with RFID tag in the Unique EM 125kHz standard. Clasp with a watch buckle allows to adjust the length of the wristband to any wrist, regardless of age and body composition of the user. The clearly marked location of the RFID tag and its small size considerably facilitate everyday use of the product.
The tight plastic housing allows the band to be used in dusty places and everywhere where there is a constant risk of flooding the tag with water (e.g. in a swimming pool).

Standard:	Unique EM 125kHz
Compatibility:	EM4100/4102
Possibility of programming the serial number (ID):	–
Ability to write to internal memory:	–
Serial Number overprint:	–
