

Code: OR-LA-1408

NIGHT LAMP WITH AN ELECTRIC SOCKET **OR-LA-1408** ORNO

LED lamp with an additional 230V socket is designed to illuminate the living rooms, corridors, bedrooms, children's rooms, kitchens and other rooms. The built-in twilight sensor causes the lamp to turn on only when the light intensity is reduced.

Attention! The lamp does not have a physical switch - it is lit at night as long as it is connected to a power socket.
