

Code: BCS-L-TIP28FSR5-AI1

## IP CAMERA **BCS-L-TIP28FSR5-AI1** - 8.3 Mpx 4K UHD 2.8 mm BCS Line

IP camera with efficient H.264 / H.265 image compression algorithm for clear and smooth video streaming at maximal resolution of 8.3 MPx, 4K UHD.

The range of IR illumination according to the manufacturer data, depends on outer conditions (visibility - air transparency, environment, wall colors ie. scene reflectance).

PoE powering possibility, compatible with the 802.3af standard makes the device more universal and easier to install. Camera is according to IP67 Index of Protection norm.

|                           |                                                                                                                                                                                                                                                                |
