

Code: METAL-CLEANER/400

METAL CLEANER **METAL-CLEANER/400** SPRAY 400 ml AG TERMOPASTY

The METAL-CLEANER/400 preparation is intended for cleaning and degreasing metal surfaces. After application, the agent dries quickly and does not leave a greasy coating, so it can be successfully used, for example, in the preparation of elements for painting. In addition, the product removes some adhesives, greases, oils, waxes and other dirt.

The can comes with two valves with tubes of different lengths, facilitating application in hard-to-reach places.
