

Code: VM-T215M

TOUCH SCREEN MONITOR VGA, HDMI, AUDIO **VM-T215M** 21.5 " VILUX

The VM-T215M professional CCTV monitor is equipped with a solid metal housing and a 21.5" capacitive touch screen with a resolution of Full HD. The monitor is equipped with 2 mounting systems: mounting in the VESA standard and a set of frames enabling aesthetic, internal flush mounting of the screen in the housing of a larger device, advertising wall, interactive information terminal, etc.

The control keys are placed outside of monitor working area. This solution allows to place the monitor inside housing to protect it against change any settings by other people.

The device is designed to continuous work in closed spaces.

Attention! The touch function does not allow cooperation with recorders.
