

Code: PDP/EPN

## BOX POSITIONER **PDP/EPN** Elektro-Plast

The PDP/EPN box positioner makes it easier to mark and cut holes for multiple boxes. The device has built-in tube levels that help in evenly marking and cutting holes.

|                       |                                                                                                                                                                                          |
