DATA SHEET

Code: SRW-02M

SMART CONTROLLER FOR ROLLER SHUTTERS **SRW-02M** Wi-Fi 230 V AC ZAMEL

The SRW-02M controller enables remote control of the roller shutters with setting a desired stop position. It is also possible to control the percentage of slats opening in the facade shutters and to control the roof window, awning, overhead projector screen and even curtains.
To work with full functionality, the device requires connection to a home Wi-Fi network.

Beyond direct control, the device has the ability to program the opening and closing schedule and linking to different system events. Voice control allows you to control the device via voice commands from Amazon Alexa or the Google Assistant (Internet access required).

SUPLA is an open and independent project that allows the wireless management of sensors and controllers with which we can build a smart home system.

Support:	SUPLA
Application:	roller shutters, roof windows, awnings, drop-down screens, curtains
Number of inputs:	4
Number of outputs:	2 (Motors)
Rated voltage:	230 V AC
Relay maximal load:	5 A
Maximal outputs load:	350 W (single output)
Connector type:	screw terminals
Wireless:	Wi-Fi, 2.4 GHz - IEEE 802.11 b/g/n
Mobile phones support:	• The SUPLA free application on Android • The SUPLA free application on iOS

Main features:	• Local control by physical button, • schedule, • timer, • remote access, • voice control, • Possibility to manually program scenarios from the built-in API
Housing:	Plastic
"Index of Protection":	IP20
Color:	Green
Operation temp:	-10 °C ... 55 °C
Weight:	0.127 kg
Dimensions:	90 x 66 x 35 mm
Manufacturer / Brand:	ZAMEL
Guarantee:	2 years
