## PAINT THICKNESS GAUGE **GL-SMART-XL** PRODIG-TECH

A paint thickness gauge is a tool that measures paint layers to check whether the vehicle has not been re-painted.

The SMART series paint thickness gauges enable connection to a smartphone via the Bluetooth interface. The GL-SMART application enables a number of additional functions that are not available for standard paint thickness meters, such as editing reports, exporting reports to a PDF file, measuring individual elements and many others.

Measurements are also possible without a smartphone - the meter has a built-in display, the measurement assistant function uses an LED to inform about the condition of the car's paint.

Application:	Paint thickness measurement - steel sheet, galvanized steel sheet, aluminum sheet
Probe:	embedded
Measurement resolution:	1 $\mu\text{m}$ / 10 $\mu\text{m}$ (selectable in the menu)
Measurement range:	0 ... 2000 $\mu\text{m}$
Memory:	—
Mobile phones support:	GL-SMART application
System requirements:	Android 6.0 or newer

Main features:	<ul style="list-style-type: none"><li>• Bluetooth interface,</li><li>• Measurement Assistant function : LED indicator - information about the condition of the car's paint</li><li>• Hold - stopping the meter reading</li><li>• Meter calibration - zeroing (calibration) plate is included</li><li>• Large, readable LCD display with backlight</li><li>• ON/OFF/MENU button</li><li>• Function button</li><li>• Battery charge indicator</li><li>• Automatic power-off</li></ul> <p>Cooperation with the GL-SMART application :</p> <ul style="list-style-type: none"><li>• basic and extended measurement with record of measurements</li><li>• professional measurement with measurements for each element - 30 measurements per element</li><li>• creating and editing reports</li><li>• report exporting in PDF format</li><li>• adding vehicle photos to measurements and reports</li></ul> <ul style="list-style-type: none"><li>• The set includes a practical case</li></ul>
Power supply:	2 x 1.5V, type AAA/LR03 battery - included
Weight:	0.12 kg
Dimensions:	123 x 67 x 28 mm
Supported languages:	Polish, English
Manufacturer / Brand:	PRODIG-TECH
Guarantee:	2 years
