

Code: 24V/2A/TRF

## AC POWER SUPPLY ADAPTER **24V/2A/TRF**

Attention! If the power adaptor is using for continuous work (24H) the rated current of the adaptor should be less than 80% of the maximal current.

Please pay attention for proper cooling conditions of the power adaptor during work!

|                       |                                    |
|-----------------------|------------------------------------|
| Adapter type:         | Transforming                       |
| Power voltage:        | 230 V AC                           |
| Output voltage:       | 24 V AC                            |
| Maximal load:         | 2 A                                |
| Length of the cables: | 2x 1.3 m                           |
| Application:          | motor rotators, Speed Dome cameras |
| Protection type:      | 1 A 5/20mm delayed fuse            |
| Dimensions:           | 101 x 80 x 67 mm                   |
| Weight:               | 1.15 kg                            |
| Guarantee:            | 2 years                            |
