

Code: MZ-3-S

## FIELD TERMINAL MODULE **MZ-3-S** SATEL

The MZ-3-S allows to make connections in low-voltage systems.

|                            |                                                    |
|----------------------------|----------------------------------------------------|
| Number of terminals:       | 38 + 2 ( TAMPER switch indicating open the cover ) |
| Size of the clamping bore: | 1.5 x 2.5 mm                                       |
| Maximal voltage:           | 24 V AC / DC                                       |
| Maximal current:           | 500 mA                                             |
| Weight:                    | 0.15 kg                                            |
| Dimensions:                | 132 x 89 x 29 mm                                   |
| Manufacturer / Brand:      | SATEL                                              |
| Guarantee:                 | 2 years                                            |
