

Code: ZR12-100/R10

## POWER SUPPLY ADAPTER RACK **ZR12-100/R10** 12 V DC 8.5 A

High Quality professional switching adapter with short-circuit, overvoltage and overload protections.

|                                      |                                                                      |
|--------------------------------------|----------------------------------------------------------------------|
| Adapter type:                        | Switching                                                            |
| Power voltage:                       | selectable by switch<br>• 90 V ... 132 V AC,<br>• 180 V ... 264 V AC |
| Voltage frequency range:             | 47 ... 63 Hz                                                         |
| Output power:                        | 102 W                                                                |
| Output voltage:                      | 12 V DC                                                              |
| Output voltage adjustment:           | 11.4 V ... 13.2 V DC                                                 |
| Maximal load:                        | 8.5 A                                                                |
| Efficiency:                          | 89 %                                                                 |
| MTBF (Mean Time Between Faults):     | > 700000 h - Telcordia SR-332                                        |
| Protections:                         | • Overvoltage<br>• Short-circuit                                     |
| Manufacturer / Brand:                | DELTA                                                                |
| Protections:                         | • Overload                                                           |
| Housing type:                        | 1 U Rack 10"                                                         |
| Operation temp. / Relative humidity: | -10 °C ... 70 °C / 10 % ... 95 %                                     |
| Weight:                              | 0.59 kg                                                              |
